

Lesson 6: Processing

Overview

Question of the Day: What are the different ways computers can process information?

In this lesson, you will learn about the four types of processing that computers may use to turn input into output.

Vocabulary

- **Processing** - The thinking work computers do to turn input into output.

Resources

- **Apps with Processing** - Activity Guide [▼ Make a Copy](#)

Levels

1

App: Is It Your Birthday?

2

App: National Parks

3

App: How Many Countries

4

App: My Famous Birthday

5

App: Stamp Notebook

6

App: The Fastest Finger

7

App: Guess the Number

8

App: Where Should I Live?
